

## GIVE A BABY SYRUP PEPSIN

Constipation, biliousness and like annoying ills will quickly disappear

A MOTHER is always anxious to give the safest and best medicine to a constipated baby, but is puzzled which to select. Let her decide by the ingredients on the package.

Every bottle of Dr. Caldwell's Syrup Pepsin has the formula printed plainly on the outside of the carton under the portrait of Dr. Caldwell, who wrote the prescription in 1892. You will find that it is a combination of Egyptian Senna and other simple laxative herbs with pepsin. It will not gripe the baby, and it is free from narcotics. A bottle sufficient to last a family several months can be had at any drug store, and the cost is only about a cent a dose.

While no one, young or old, need take a drastic purgative like salts or calomel, be especially careful what you give a

child. Some contain minerals, coal tar and other drugs that might prove dangerous by over stimulating the intestines or depressing the heart. The ingredients of Dr. Caldwell's Syrup Pepsin are recommended by the U. S. Pharmacopoeia.

Mr. Jones opened a very helpful talk on organization and co-operation with a reference to how St. Johnsbury got its quota of coal through the war, stating that W. A. Ricker was responsible for securing more coal than Washington had allotted to our town. Incidentally it appeared that while Washington had allotted only 175,000 tons to Vermont the speaker as fuel administrator was able to get 205,000 tons.

Mr. Jones spoke of the benefits of the organization of which he was a director and the benefits of any organization. He illustrated the advantage of organization by the formation of the Granite Dealers' association and said the principle of live and let live was the spirit that special success in any community.

## Farewell Reception for Mr. and Mrs. Geo. Wright

Following a musical and literary program in the parlors of the Baptist church Wednesday evening, Mr. and Mrs. George Wright were presented with a suit case, a capacious one, but not too large to hold the good wishes of their many friends assembled to bid them God speed on their journey to Florida. Mr. and Mrs. Wright and son, Rudolph, left in their automobile Thursday morning and plan to spend the winter at St. Petersburg. They will make visits in Springfield, Mass., and in Washington on their way to Florida.

The gathering in the Baptist church was arranged by the pastor, Rev. A. S. Woodworth and a committee composed of Mrs. W. T. Parks, Mrs. John McNamara and Mrs. J. A. McLeod. Piano solos were rendered by Misses Nettie Vitty and Shirley McLeod, vocal solos by Velma Hall and Elaine Fairbanks, readings by Miss Alice Clark and selections by the church quartet, Mr. and Mrs. George Morley, Miss Catharine Morrison and Pearl Henderson.

Sawyer, Jr. of St. Johnsbury tipped over at Hardwick on Sunday when his radius road became disconnected. Mr. Sawyer was injured and was taken to the Brightbrook hospital, where he is reported as recovering rapidly.

William H. Kurt of Newport reports that on Saturday he knocked down a cow and the animal jumped up and ran off.

Austin E. George of Hartland and E. E. Utton of Hardwick were in collision Sunday in Woodbury. The accident was caused by a soft place in the road and the cars skidded.

## CHATS WITH YOUR GAS MAN

"Your gas blackens my cooking utensils," exclaimed a housewife the other day.

We investigated and one look at her gas range was enough. It had not been properly cleaned in weeks, perhaps in months. The top burners were dirty and greasy, the holes to the air mixers were partially clogged and when the gas was lighted it burned with a long, yellow, smoky flame.

An hour later you wouldn't have known that range. The holes to the air mixers had been cleaned out and the burners had been washed in a strong solution of hot water and washing soda and then carefully rinsed and replaced. When the gas was lighted, it burned with a clear, blue, feathery flame.

Often, as in this case, blame is placed upon the gas supplied when in reality the trouble is caused by the manner in which the gas is being burned.

How clean is your gas range?

## Does Your Back Ache?

It's usually a sign of sick kidneys, especially if the kidney action is disordered, passages scanty or too frequent. Don't wait for more serious troubles. Begin using Doan's Kidney Pills. Read this St. Johnsbury testimony.

Mrs. George Desilets, 4 Maple street, says: "I used Doan's Kidney Pills three years ago when my back and kidneys were out of order. My back was very lame and when I stooped it felt as though someone were sticking a knife into me. I suffered with severe headaches and dizzy spells, too. My kidneys were badly disordered. I heard of Doan's Kidney Pills and got a couple boxes from Landry's Drug Store. In a short time they cured me and I am very glad to recommend them."

Price 60c at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Desilets had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.—Advertisement.

## Sir Thomas J. Lipton's Decision and How It Benefits You

THE World War brought about an over-supply of tea. A year ago, packers of ordinary teas were forced to cut prices.

Whether to reduce the price of Lipton's Famous Yellow Label Tea and offer a quality to meet ordinary competition, or to maintain and improve, if possible, the quality, was the big problem put up to Sir Thomas J. Lipton, founder and head of the great Tea Plantations and Factories which bear his name.

At that time, Lipton's Gold Label Brand of Orange Pekoe Tea—a blend of special selections of the finest flavored teas, re-tailed at a dollar a pound and more, and sold principally in the so-called "fancy grocery" trade.

Sir Thomas Lipton's immediate decision was that if the higher-priced Gold Label

Orange Pekoe Tea was any better quality than the famous Yellow Label Brand, then the Gold Label quality and standard should be at once adopted for the Yellow Label Brand. Furthermore, if a price reduction in the improved Yellow Label Brand were possible, it should be made.

Last year the Gold Label Brand was discontinued. Today Lipton's Yellow Label Brand takes its place as Lipton's finest tea and is the most delicious and satisfying tea the world produces, and at a reduced price.

If your grocer does not sell Lipton's Yellow Label Tea, send us his name and we will mail you a free sample, together with the name of a grocer who can supply you. Address THOMAS J. LIPTON, Inc., Terminal Building, Hoboken, N. J.

## A Tribute To Mutual Savings Banks

The United States Investor, the leading financial weekly of New England, in a recent editorial, has this to say of MUTUAL SAVINGS BANKS.

"Such banks have done more to promote thrift in the sections that they serve, have followed wiser policies in the matter of investments, and have actually been more liberal in the matter of dividends, all things considered, than any other form of savings depositories that man has ever invented, and we might almost add, than man is ever likely to invent."

For over sixty-eight years, every dollar of the earnings of this bank has been paid to depositors as Dividends, or is in a Surplus Fund for their sole benefit. Since this is a MUTUAL SAVINGS BANK, there are no stockholders to absorb its earnings.
